The explorer who travels seven seas and beyond to gather taste from all over the world.

Rifad Aboobakar

[Co-Founder / Finance Manager]

The spine behind lost in burg's core functionality who is also the money man behind the scene.

Menu Overview

At Lost in Burg, every dish on our menu is crafted entirely by our chefs no shortcuts, no borrowed recipes, no generic formulas. Our flavour's are built from scratch with passion, precision, and years of combined culinary experience. While we're celebrated for our signature burgers, we also serve handcrafted pizzas and a diverse range of starters inspired by mixed global cuisines, giving guests far more to explore than the typical burger joint.

Our name, Lost in Burg, reflects our philosophy: we want the world to get lost in our food lost in the comfort, the flavour, and the joy it brings. We take the entire universe of cravings, sweet, spicy, hearty, indulgent and bring them together inside one simple creation: the burger. A humble dish elevated into an experience that satisfies every mood and every appetite, supported by a menu that extends into artisanal pizzas and meticulously curated appetisers.

“ We don't just make burgers.

We create moments people crave, remember, and return for. “

Lost in Burg is where global inspiration meets local love, where discipline meets creativity, and where a simple burger becomes a world of flavour surrounded by pizzas, starters, and a fusion-driven menu that keeps our guests discovering something new every time.

Signature Dishes

THE ARISTOCRAT

The champion of all burgers, our signature double-patty masterpiece loaded with beef bacon and crisp raw onion rings. Built for true burger lovers, this heavyweight stack delivers bold flavour in every bite. Crowned Best Burger of 2024 in Kozhikode, it's the undefeated favourite that keeps customers coming back for more.

LOST IN WINGS

Crispy fried wings tossed in a perfectly balanced sweet-and-spicy buffalo sauce bold, tangy, and addictive. Served as a 6-piece portion, these wings are the ideal way to kickstart your meal and set the tone for the flavours to come.

SEVEN WONDERS

Seven Wonders is our signature raw oyster experience seven uniquely crafted flavour profiles served on a bed of ice, each oyster dressed with its own bold, imaginative topping. From bright citrus notes to spicy heat, delicate roe, pomegranate bursts, and rich umami elements, every shell offers a different story. This dish is designed for true explorers of taste: a curated journey across textures, temperatures, and global inspirations, all in a single, unforgettable platter.

Signature Dishes

FISHERMANS ROPE

A luxurious white-sauce seafood pasta loaded with tender prawns and fresh mussels, coated in a creamy, velvety sauce that holds every strand together. Rich, aromatic, and deeply comforting, this dish delivers a beautiful balance of ocean freshness and indulgent creaminess. Served with a piece of toasted garlic bread to complete the experience, it's a pasta that invites you to slow down and savour every bite.

MUSA BOS

A bold and addictive fusion of tender beef and caramel-sweet banana, layered with rich cheese and topped with crisp, golden fried tortilla strips for the perfect crunch. This dish brings together sweet, savoury, and creamy elements in a way that's unexpected yet beautifully balanced comforting, creative, and unforgettable in every bite.

MANGO MATCHA

A refreshing blend of earthy matcha and ripe, juicy mango perfectly balanced for a naturally sweet, energizing lift. Smooth, vibrant, and irresistibly tropical, this drink brings together Japan's favourite green tea and the richness of fresh mango for a flavour that's both calming and invigorating. The ultimate sip for anyone seeking something light, fruity, and utterly refreshing.

FINANCE OVERVIEW

Since opening in December 2022, Lost in Burg has demonstrated consistent and scalable financial growth, establishing a strong foundation for long-term expansion. In our first full financial year, the business averaged approximately ₹5 lakh in monthly revenue, validating our product-market fit early on. The following year saw this rise to an average of ₹7 lakh per month, driven not only by enhanced brand visibility but also by the strong, trust-based relationships we cultivate with our customers an essential factor behind our growth and repeat business. In the current year, we have reached an impressive monthly average of ₹10 lakh, with projections indicating even higher performance next year as our client base continues to expand alongside our operational capabilities. Over the past three years, Lost in Burg has generated a cumulative revenue of approximately ₹2.7 crore. Most importantly, we maintain a healthy and sustainable profit margin of around 27% after accounting for all operating expenses including salaries, procurement, rent, utilities, maintenance, and other overheads. This strong financial track record, combined with our customer-first philosophy, positions Lost in Burg as a profitable, reliable, and high-potential franchise opportunity.

Franchising Criteria

To ensure sustainable growth and uphold Lost in Burg's brand standards across all future outlets, our franchise model follows a clear and well-defined selection criteria. We partner only with investors who demonstrate *strong financial stability*, the ability to meet the *required capital investment*, and access to a *suitable commercial space in a high-potential location*. Prospective franchisees must be committed to *maintaining the integrity of the brand*, strictly *following operational guidelines*, and completing all *interior, kitchen, and infrastructure setup as per our specifications*. While *Lost in Burg handles all daily operations, training, menu execution, and brand management*, we expect franchise partners to *uphold transparency, comply with legal and licensing requirements, and support the brand's long-term vision*. This franchising criteria ensures that every new outlet operates with *consistency, quality, and excellence protecting the brand* while enabling profitable expansion for both the investor and the company.

Future outlook

★ MISSION

“To bring globally inspired flavours, uncompromised quality, and operational excellence together to create a burger experience that customers crave and investors trust.”

★ OUR VALUES

1. Quality Without Compromise

- We use fresh ingredients, precise processes, and chef-driven recipes to deliver the same exceptional taste in every bite every single time.

2. Global Standards, Local Heart

- With international culinary experience and deep local understanding, we bring world-class hygiene, discipline, and flavour execution to Indian fast food.

3. Consistency by System, Not Chance

- From prep to plating to customer interaction, every step is systemised.
- We build processes that can be replicated across locations ensuring flawless experience at scale.

4. Innovation With Purpose

- New items aren't experiments they're calculated improvements.
- Every menu addition, process upgrade, or flavour twist must improve customer experience or business efficiency.

Future outlook

5. Speed + Precision

- We believe that fast food must be both fast and perfectly executed.
- We design operations that prioritise speed, accuracy, and minimal wastage.

6. Customer Obsessed

- Our customers decide our growth.
- We listen, adapt, and constantly improve based on real feedback not assumptions.

7. Team-Driven Success

- Four founders with four different strengths but one collective vision.
- We succeed because we build systems, empower people, and run the business with discipline, humility, and accountability.

8. Growth Mindset

- We don't just want to run a store we want to build a brand.

"Scaling, replicating, franchising, and evolving are at the core of our long-term vision."
